

# Check Box add-on v1.04 Problem

## Example 1 (details view)

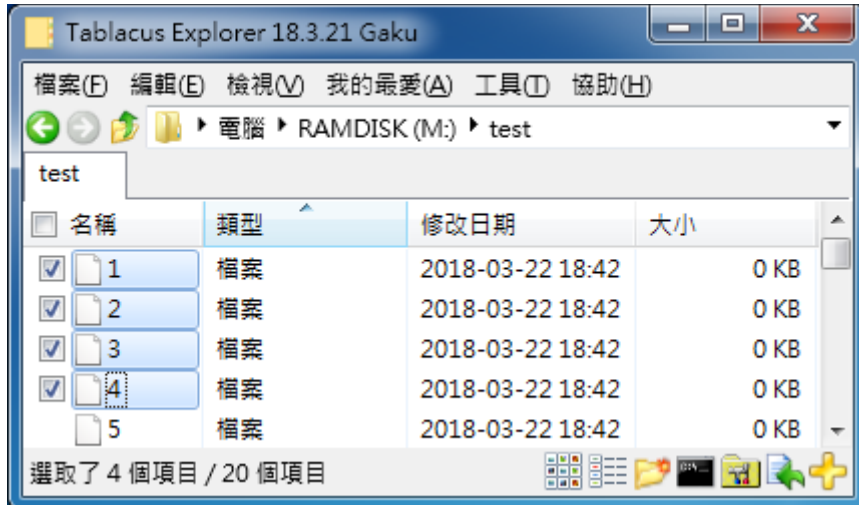

Click the check box to select file 2

Move the mouse pointer to file 4

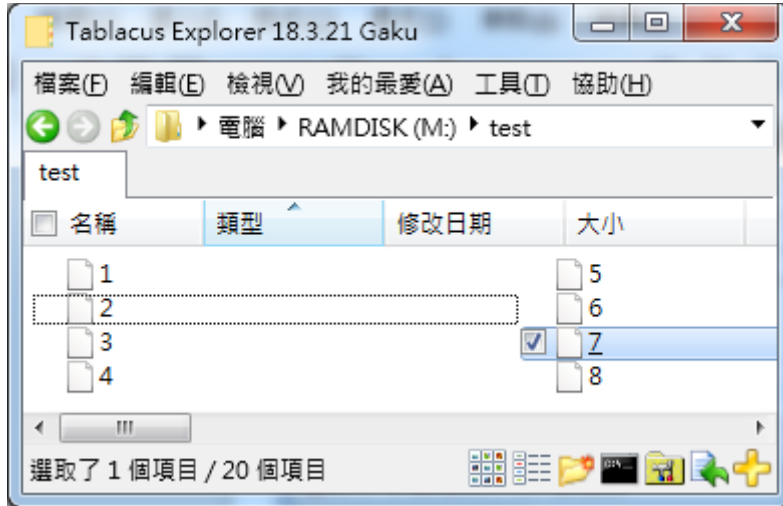

Shift+click file 4

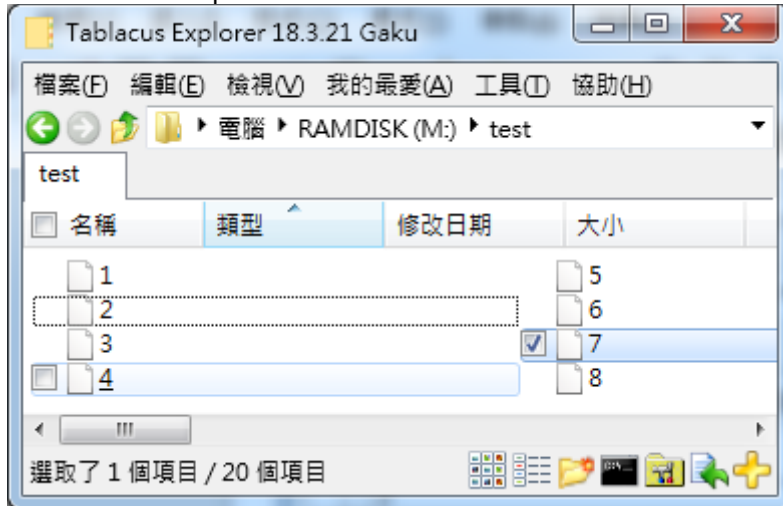

I expect to select file 2 to 4, but file 1 is unexpectedly selected.

## Example 2 (list view)

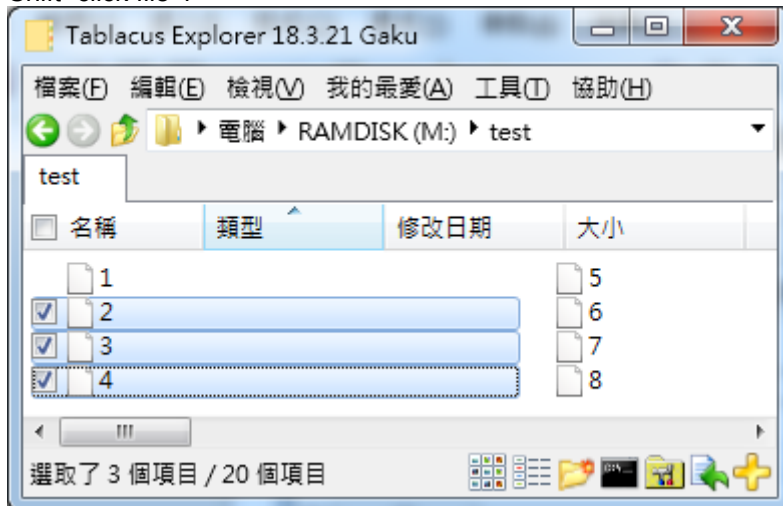

Click the check box to select file 7

Move the mouse pointer to file 4

Shift+click file 4

I expect to select file 4 to 7, but file 2 and 3 are unexpectedly selected.
